PostmodernPreaching.net - Web resource on structuring sermons for a postmodern world

REFLECTIONS:

- Are my sermons providing practical, mission focused action points?
- Does the listener know what they should “do” after hearing the sermon?

- Has this sermon helped people emotionally connect with God?
- Does my sermon illustrate the feelings and experience of walking with Jesus?
- What

- Do my sermons help listeners understand the meaning and context of scripture?
- Do I understand what the writers of scripture were trying to illustrate for us in this passage?
- How can I help draw out the meaning of scripture for listeners?
