

# Walking Restaurant Guide

Akron boasts a number of delicious eating and drinking options, all within an easy walk of the John S. Knight Center. Akron's new Main Street Corridor project revamped 1.4 miles of downtown Akron, and is only two-blocks away from the convention center. Much of the dining and entertainment options Akron has to offer are along Main Street, including Canal Park (home of the Akron Rubber Ducks baseball team), Lock 3 (an outdoor, waterfront entertainment complex), and many restaurants.
